October 2011

Welcome to October!

This is our favorite time of the year to get started on so many fun activities and events! We are also so proud of our brand new gym space! It is hard to believe that only a few weeks ago we had a wall separating the two gyms. The new gym is looking better every day and we are working very hard to fully complete it with new equipment and viewing area by the beginning of October. Read on to see what is happening in October. We look forward to communicating with you and keeping you up-to-date on gym life.

HAVE YOU HEARD WHAT'S GOING ON AT AZARIAN GYMNASTICS ON SATURDAY NIGHTS?

KidZone EVERY Saturday 6-10pm! We invite you to take a night off. Your kids can enjoy an evening of over the top fun gymnastics! Our world class coaches are excited to watch your children as you enjoy a much needed evening to yourselves. Here they will have the freedom to safely explore our gymnastics equipment, jump on our trampolines, and even learn a new skill or two. Saturday nights would not be complete without pizza, games, and exciting crafts, so we included those as well!

PARKING SAFETY: We would like to remind you that the two drop off parking spots are for a quick drop off ONLY. Please do not park in these spots if you planning to take your child in the gym & come back. Parking lot gets backed up really quickly. We appreciate your assistance in helping us keep an easy flow to and from the parking lot!

ACADEMY

Throughout the month of September we have been evaluating every child at their current level during their regularly scheduled class. As October approaches we will be handing back completed evaluations for the children to take home. If your child has moved up please see the front office to transfer into the appropriate class. Please note that evaluations are only performed during your child's regularly scheduled class and that make-ups, missed or transfer classes do slow to the evaluation process. If you do not receive your child's evaluation by the end of October please let the front office know!

We Are Proud to Introduce Our New Staff!

Coach Betsy Coach Mark
Coach Joe Coach Oscar
Coach Gabby Coach Rachel

All of our academy coaches will be attending a USA Gymnastics hands on training clinic on October 9 in Carlsbad.

Thank you for your continued support!

Sincerely,

Your friends at Azarian Gymnastics

LITTLE CHAMPIONS

DRESS UP GYM DAYS! Halloween is sneaking up fast and we are excited to offer some trick-or-treating of our own! October 24th-31st all Little Champions are invited to show off their costumes by wearing them to class. Please keep safety in mind and be prepared to change if any costume is not gymnastics friendly!

NEVER UNDERESTIMATE THE POWER OF PLAY! Free play is an essential and key element to the development of young children. Multiple brain functions are stimulated during unstructured play that actually create and reinforce your child's neurological pathways. According to Scientific American, studies have shown that childhood play is not only beneficial, but critical to experiencing a well adjusted adulthood. It has also been shown to contribute to smarter adults with lower stress levels. Our preschool open gyms are a perfect opportunity to give your child this vital play time as well as safe and healthy exercise!
